University of California, Merced is committed to creating learning environments that are accessible to all. Student Accessibility Services mission is to ensure students with disabilities have equal access and full participation in the rich academic and campus life at UC Merced. We receive requests for accommodation, approve services, consult with faculty and coordinate support for students with disabilities to achieve this mission.

Make Inquiries and Appointments
Request a meeting: access.ucmerced.edu

Submit Documentation
- Documentation guidelines and forms are available on our website: access.ucmerced.edu.
- Submit documentation securely in person, via mail or fax.
- Secure email option available upon request.

Participate in an Interactive Consultation

We consult with each student on a variety of educational tools and technologies to help them pursue their educational goals. These may include:
- Audio and visual enhancements of course materials
- Communication services, including interpreters
- Testing services
- Assistive technology
- Notetaking support

We also consult with faculty on incorporating universal design into their course development. Universal design practices are inclusive of a variety of learners and learning styles and support an equal opportunity to learn for all.

Resources
Located in the Calvin E. Bright Success Center, we can connect students with tutoring, mentoring, skill building workshops, learning support services and co-curricular experiences to further assist them in their success journey. Our network of professionals and services throughout campus can help students overcome barriers and celebrate success milestones.
